that of an ancient ward meeting.

central road will be open for travel and traffic from New Orleans direct to Cairo. Jackson, it will be observed, rapidly becomes a most important railroad center, and in five years will beast of twenty thousand or more inhabitants. Nashville must have access to Jackson and the branch of the Narthwastern road the branch of the Narthwastern road. Chattanooga, Nashville and St. Louis road are forced to do this. But Memphis can well afford to have the phis can well afford to have the trade of Jackson diverted wholly to Nashville and St. Louis, and by this extension of the Mississippi Central to Chicago Jackson. Memphis is large enough to fold its brawney hands, capable of any hereulean task, and sit down idly and lazily in the sunlight, dangling her hard seed over the bluffs and making the perfect over private schools. It is practicable to make the graded schools the capable of the public schools being uniform, there is also a great saving in that respect over private schools. It is practicable to make the graded schools capable of the public schools being uniform, there is also a great saving in that respect over private schools. It is practicable to make the graded schools the capable of the public schools being uniform, there is also a great saving in that respect over private schools. It is practicable to make the graded schools capable of the public schools being uniform, there is also a great saving in that respect over private schools. It is practicable to make the graded schools capable of the public schools for rich and poor, where boys ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perfect honesty and fairness of the public ing the perf hare feet over the bluffs and making them cool and comfortable in the bosom of the great river.

MATNARD.

There is an Italian fable that tells of a of government to tax them for public lean, cadaverous wretch, with yellow education. When we cease to be savaskin, and giaring, glittering, snaky eyes, like those of Maynard. There was allabsorbing selfishness, and malignant to mak them by public to mak absorbing selfishness, and malignant taxation for the general good. We have forwarded to each correspond all orders to be addressed inate, and villainous, cowardly cunning written in every lineament of the creature's face. He grew constantly more hideous, when contemplated, as does Maynard, and his nose and mouth were hard to submit to taxation to build jails and prisons, although we may never derive any personal benefit from their existence. Maganlay says, "The right to Maynard, and his nose and mouth were hard includes the right to educate."

Memphis Agricultural and Mechanical Society, P. O. Lock-box No. 78, Manynard, and his nose and mouth were hard for reads that we never constantly more and more elongated. We are taxed for roads that we never His head was flattened as the repulsive-ness of the disgusting vision was hight-never have a case, and it is all right. eued. His lips protruded, the chin The public good demands it, and so the disappeared, the forehead became part public good demands the education of of the neck, and at last there was left a all the children. Private schools can never accomplish the work, nor can never accomplish the work, nor can church schools meet the necesfrom its twitehing, nervous jaws, and a sity. We must have public, unforked tongue hissed and shot forth, sectarian schools, with tuition free tipped with lambentlight, reflected from to all, as the air and sunlight. G. H. HURD, its flery eyes. No one has ever read this We cannot neglect our schools, and half-forgotten fable and seen Maynard we must insist on the wisest direction who did not know that the original of and constant improvement. The best the Italian poet's dream was men in the city should be selected, from before him. The yellow, skinny, time to time, as members of the Board bitter, malignant wretch Maynard, of Education, and they should secure whose very remorseless selflahness teachers with the right intellectual and is illustrated in the fact that he would moral qualifications, with a love of represent a people in Congress whom feaching for its own sake as well as a he, by no possibility, can represent in means of honorble livelihood. Let the anything. Nature, taste, habits of children of the community, as far as thinking, original predilections, local attachments, everything in nature and ence of these schools for nine or ten 255 Main Street! every law in morals render it utterly months in the year, and then, as far as mpossible that Maynard should repre- human means can well go, the work of

To Country Merchants.

The Wholesale Trade of Memphis has improved each Season for several years past, and we take some pride in inviting comparisons of this market with those of older and larger cities. Our Jobbers are enterprising and deservedly prosperous, and able to offer you every inducement to give our city your trade. Immense stocks have been brought here this season; several new wholesale houses have located with us, and a lively comnetition for your trade will make this a first-rate market for you.

Our Stock is Complete in every Department, and comprises Large Lines of Staple ann Fancy Dry Goods, White Goods, Linens, Dress Goods, Hosiery, Notions, Gents' Furnishing Goods, Blankets, Shawls, Knit Goods, Cloaks, etc., etc. We have added largely in variety and quantity to each Department of our Stock, and invite you to call and inspect our Goods, and the General Market, and we feel confident you will be pleased.
